## POLICE AND FIREMEN TO GET AUTOMATIC SALARY INCREASE

**Board of Selectmen By Majority Vote Recommends Salary Increases Due To Certain Officers and Firemen—Ten Policemen and Eleven Firemen To Benefit—Third Selectman Favors Putting Off Increase Another Year**

Members of the Arlington police and fire departments who are eligible to automatic increases in pay this year will get their raise as a result of action taken by the board of selectmen this week.

Ordinarily, according to established provisions, the salaries of police officers and firemen increase, from their first year of full employment until the fifth. As the fifth year of employment is reached by the officer or fireman the final raise in pay is allowed and the maximum salary remains fixed until age or retirement.

Ten police officers and eleven firemen will benefit from the action taken by the selectmen. This will entail an additional expense of about \$900 for the police department and about \$500 for the firemen. The action of the board in granting the increase in pay was not unanimous as one member of the board felt that all automatic increases in salaries due this year should be put off for another year so that the town might benefit from the saving which would thereby be effected.

Despite the opinion of this one selectman, many are of the opinion that police officers and firemen are entitled to every consideration coming to them and that the automatic increase in their salaries should go into effect this year. The officers and firemen who are to benefit from

## News Ads Again Show Results

Week after week, the Daily News receives reports that advertising carried in this newspaper is bringing results. The latest report comes from Henry G. Wilton, well-known real estate and insurance dealer whose offices are located at 673 Massachusetts avenue, Arlington.

Mr. Wilton told the News yesterday that up to January 1st, he has had a 46 percent increase in his automobile insurance business. He attributes this entirely to his advertising in the Daily News since December 1st.

On last week's Daily News advertisement alone, Mr. Wilton received two hundred responses. He is a regular advertiser in the Daily News and is loud in his praise of advertising as an aid to carry on a successful business.

## Warren, Crosby On Committees

Senator Charles Warren of Arlington was appointed to three Committees by President Erland F. Fish of the Massachusetts Senate and Representative Nelson B. Crosby was named to two committees by Speaker of the House Leverett Saltonstall when the Legislature convened this week. This is a distinctive honor for Arlington.

Senator Warren will serve on the Metropolitan Affairs, Education, and Judiciary committees. Representative Crosby will be a member of the State Administration and Water Supply committees.

## Truck Badly Damages Auto

An automobile owned and operated by Carrie Fowler, of 11 Wyman terrace, Arlington was considerably damaged when it was struck by a truck in Arlington Centre yesterday afternoon. The truck was being operated by John Mulally, of 43 Waterhouse street Cambridge, according to the report made to the police.

## Fortnightly Club Has First Session Of The New Year

The first monthly meeting of the Arlington Fortnightly club for the New Year was held last Wednesday at Wyman's English tavern.

A business meeting was followed by an interesting exposition by Mrs. Rodney Page of the advantages to the club of becoming a member of the State Federation. The club has voted to be federated.

Miss Helen Tracy, a well-known local instructor, displayed unusual talent in her memorized execution of several difficult piano selections. Miss Cameron, a reader, contributed two humorous offerings which were delightfully presented and added much to the gaiety of the evening. Flowers were presented to the three guests as the club's expression of gratitude. Games and refreshments culminated a wholly festive New Year meeting. The co-chairmen of the evening were Mrs. A. D. Doyle and Mrs. Angus MacDonald.

## NEW IMPROVEMENT ASSOCIATION MEETS AGAIN JANUARY 18

The next meeting of the Menotomy Improvement association will take place on January 18 and the public is cordially invited. The new organization got under way last Wednesday evening when an enthusiastic gathering was present at the Junior High East auditorium.

William O. Hunter, chairman of the board of selectmen spoke and outlined the duties of the selectmen. He pointed out the needed improvements in the town and advocated a reduction in the number of town meeting members and an earlier town meeting. An informal discussion of town affairs followed.

## SPANISH WAR VETS TO HAVE JOINT PUBLIC INSTALLATION MONDAY

There will be a public installation of the new officers of the Corp. Wm. Power Kenilbs Camp No. 66, U. S. W. V. camp in the new Town Hall at 8 o'clock, Monday, January 9th, with past Department Commander Emory C. Griswold as installing officer.

The officers for the ensuing year will be as follows: Commander, Maj. Gen. Walter E. Lombard, Jr. Vice Commander-in-Chief, Senior Vice Commander, William G. Goodwin; Junior Vice Commander, Jeremiah J. Donahoe; Adjutant, Frank L. Zelick, P. C. and P. D. A.; Quartermaster, Lt. Col. John R. Sanborn; Trustees, Maj. Edward C. Doland, P. C., Walter A. Fish and James W. Lowe, P. C.

Patriotic Instructor, Lewis G. Bowe, P. C.; Historian, James W. Denney, D. C.; Chaplain, Ernest A. Sawyer; Officer of the Day, Ralph Hill; Officer of the Guard, Lieut. Bartholomew J. Deignan; Sergeant Major, Maj. Alonzo F. Woodside; Quartermaster, Sergeant, Joseph E. Crowley; Color Sergeants, John Olsen and Sahag Arekelyan; Musician, Fred J. Clifford, P. C.; Lt. Col. Sanborn, Majors Doland and Woodside and Lieut. Deignan are also veterans of the World War. The new officers of the Auxiliary will be installed the same evening by Mrs. Elizabeth I. Priest, Past Dept. President, with Nellie L. Crowley, as President.

## Pie Traynor's Father Is Dead

James E. Traynor of 25 Fairmont street, Arlington, father of Harold ("Pie") Traynor, star third baseman of the Pittsburgh Pirates, died at the Pondville Hospital, Wrentham, this morning, after a long sickness.

Mr. Traynor, well-known in the printing trade and a member of the Printers' Union, lived in Framingham when first married. Later the family moved to Somerville where it lived for a number of years. Several years ago the residence was changed to Arlington.

Besides his wife and son, Harold, Mr. Traynor leaves five other sons, Edward, Robert, Arthur, John and Charles, and a daughter, Miss M. Louise Traynor.

## SCHOOL DEPARTMENT BUDGET IS REDUCED 13 PERCENT FOR 1933

**Drastic Reductions Made In Budget Filed By School Committee—Will Amount To \$667,777 After Deduction Of Employees' Salary Contributions—\$766,350.20 Was Spent Last Year—Means Saving Of Almost \$100,000 For Present Year.**

	1932	1933
General Control	\$ 19,243	\$ 19,010
Instructional Service	556,200	550,355
Operation of School Plant	78,000	80,500
Maintenance of School Plant	31,000	31,000
Auxiliary Agencies & other activities	21,350	20,312
Capital Outlay	7,700	6,200
Special, Separate Appropriations	52,857.20	12,600
	\$766,350.20	\$720,277

\*Total net budget, after deducting contributions of 10 per cent, estimated at \$52,500 will be \$667,777. Several important features of the budget which do not appear in this brief summary should be noted.

The apparent reduction is \$46,973. If, however, a cut of 10 per cent in salaries and wages is made in 1933 through compulsory contributions, it will reduce the budget by approximately \$52,500 more, a total reduction of \$98,573, or nearly 13 per cent. Further actual savings to the town will be achieved by the contributions of the school employees for welfare during the past three months, of \$381.61, and unexpended balances for the year of about \$16,000, which will be returned to the town treasury. In considering the effect of reduction in school expenses upon the tax rate for 1933, these sums should be added to \$98,573, giving a total of \$121,954.61, equivalent to a saving of approximately \$200 in the tax rate. It is more than half of the amount (\$220,000.) proposed to be cut from the 1933 town budget.

One other phase of the situation is of interest. During 1932, the senior high school addition and the Brackett School were completed and put in full operation. These two buildings add to school property thirty-eight regular class rooms, two auditoriums, a large lunch room, three play rooms, some thirty other miscellaneous rooms, and extensive additional school grounds, together with their complete equipment. Also, the fall enrollment in the high school in 1932 was 200 more than in 1931. This was but partially offset by a loss of about fifty pupils in the rest of the town. The high school faculty, however, was not increased, and elsewhere positions were consolidated and work curtailed so that eleven less teachers are not employed than were working a year ago.

The extra buildings and enrollment would represent normally a substantial increase in school expenses, at least \$10,000 in 1932 and \$10,000 more in 1933. Appropriations, however, for current expenses, not including special non-recurring items, were in 1931, \$745,399, in 1932, \$722,643.

School enrollment is constantly increasing, and a conservative outlook for the fall of 1933 is that the high school enrollment will be at least 100 more, the junior high schools 50 more and the elementary schools 150 more. Yet the net budget prepared by the school committee, excluding \$3,000 for special, non-recurring expenses, and after subtracting employees' contributions is \$664,777.

The proposition facing the school department for 1933, then, is to educate some 5 per cent more pupils and maintain some 16 per cent more school plant than there were in 1931, not for \$20,000 more than the appropriation for 1931, but for \$80,822 less.

It certainly is a liberal recognition of the need for retrenchment, yet it raises the very serious question whether such a drastic reduction can be made without serious harm to the education of the children, and whether it is wholly necessary, or justifiable.

### THE TIME FOR SUMMING UP

Three years of depression have ended and we can begin to sum up.  
 Hard times have brought ill winds—but they have also brought some healthful breezes.

Businesses and individuals have been forced to "write down" fictitious valuations and standards. This has naturally caused a great deal of hardship and a long black list of bankruptcies. But real readjustments had to occur to put a sound foundation under family and business life.

Those who expanded and operated on the principle that that which goes up need never come down, and that boom prosperity would continue unabated forever, had to be deflated.

The individual has found that it is possible to live happily and comfortably on a pre-war basis. He has found that the arbiter of wages is what the dollar will buy. He's come down to earth.

These are the "healthful breezes" of depression. The decks have been cleared for action, and the way to recovery is open.

As for the problems of depression, they are still vital and intense. Writing in the Yale Review, Sir Arthur Salter observed that 1933 will be one of the most crucial years in modern history.

The pressing and increasing weight of taxation stifles the capital (industry) of the world, creating unemployment and preventing industrial expansion and the further investment of money.

The burden of armaments, with their drain on national incomes and their constant threat to world peace, grows greater. In every important country the cost of wars, past, present and future, is the major item in the national budget.

The question of foreign trade looms large on the economic horizon. In normal times, foreign sales amount to ten per cent of the gross in this country—and ten per cent is the margin between profit and loss in the average business. Today foreign trade is almost non-existent, due largely to a new and intense spirit of economic nationalism which finds its expression in tariff wars and embargoes. Almost every economist of distinction, here and abroad, stresses the need for revitalizing foreign trade as a factor in the work of recovery. Tied up with this is the problem of silver, which affects the purchasing power of half the world's people. When silver is depressed, as at present, the silver standard countries are unable to buy in the gold standard markets.

The picture at home is undoubtedly more encouraging than the world picture. We have the finest industrial organism in existence—we have the factories and the machines and the farms that are adequate to our needs. Our utilities, our railroads, our oil companies, our insurance institutions, are the harbingers of American progress. They represent honest national assets, as against the fictitious assets we counted on in the boom days. Because the machinery of distribution has slowed, it does not mean that the machinery of production is lacking or faulty.

Our greatest single problem is unemployment. Ten million of our working population is at present out of a job, and its buying has come to a stop. Much of this unemployment is temporary—part of it is the result of machine displacement of labor. Today the foremost industrialists are working toward plans to shorten the working day and the working week, and to provide some means of unemployment insurance that will assure the able and willing worker a livelihood in bad times as well as good. It is difficult to believe that their efforts will end in failure. The weight of taxation, which forces retrenchment, is preventing the employment of many of those now seeking jobs.

This is America at the opening of 1933—a vast and incalculably rich land, which is gradually emerging from depression and entering a new era. It is still a land of promise, as it was in the days of the Argonauts. It has lost nothing that it really possessed. Its earth is still fruitful, its mines are still filled with metals, its factories are ready to make the necessities and luxuries its people want. Its people are courageous, and they still have faith. Its leaders retain those vital qualities—intelligence and vision. America will pull out of the depression—and, from the lessons that depression has taught, it may find a means of preventing both extreme rises and extreme drops in the economic and social cycle, and of creating genuine, permanent and sound prosperity.

Let the people curb the tax bill and the first great step will be taken toward industrial recovery and employment.

### THE NEWS OBSERVES

To aid in the relief of the unemployed of the country, the Clicquot Club Company of Mills, makers of Clicquot Club ginger ale, will pay any accredited welfare organization one cent for every Eskimo trade mark Clicquot bottle cap, the offer to expire on April 1. It was announced last night by officials of the company.

In Boston Police circles the talk of the town because of their prompt, efficient methods of dealing with criminal activities of late.

The death of Calvin Coolidge marks the passing of a great American. His record as president of the United States will stand the test of time and will stamp him as the great advocate of thrift and conservatism during America's most prosperous years.

While many of us are combating colds one of our popular town officials Johnnie Easton is taking an occasional dip in the Atlantic.

Why not be one of the first of Arlington's 4000 to make your contribution to the Arlington Unemployment Relief Committee. They need \$2000 each month.

Johnny's Doughnut Shop reported that they had about 100 new customers as a result of their Christmas advertising in the News. The way to sell is to tell. Try it in 1933.

Arlington's street cleaning apparatus is apparently modern as evidenced by removal of snow recently and on Saturday by removal of sand which had been used liberally while there was danger of skidding.

Newton rejects 10 per cent contribution by the police as an alternative to 7½ per cent general reduction. Mayor Weeks declared that readjustment is in order under present conditions. The sooner cities and towns generally face the facts they should come to the conclusion that municipal employees should receive a straight wage reduction based upon conditions existing in their respective communities.

We received several news items last week intended for our Friday edition too late to publish. Notices and news items for our 9500 Friday edition must reach us by Thursday noon.

Please do not ask us to take notices by telephone. We assume no responsibility for errors in copy taken by telephone.

Our Representative, Nelson B. Crosby, doesn't usually look for publicity but we believe it should be known that he was the generous individual who contributed several large baskets of food to needy families of Arlington on Christmas Day. The news comes from a source other than Representative Crosby. Each basket which the well known Arlingtonite gave out contained a good-sized turkey and vegetables from the contributor's farm. Good work!

Mrs. M. H. Wells is eager to have all Girl Scout news early so that she might prepare it for the newspapers. She asks all troop leaders to either to send her the copy or telephone it to her at Arlington 4541-J not later than Wednesday evening each week.

### Youth On The Stand

#### Given Opportunity To Speak

Another in the almost continuous series of ways by means of which to minister to the practical needs of the young life of the community was instituted at the West Medford Baptist Church last Sunday when the first in a series of questionnaires was given out to the young unmarried women of the church and congregation.

Ten pertinent questions appeared on the sheet. The following note of instructions appeared on the bottom of the page: "Please answer each question completely and honestly. Mail or hand the questionnaire to Dr. Dolloff. It is not necessary for you to sign your name or in any other way reveal your identity. Please return to the Pastor within a week."

The subject of this first investigation was "Marry and Her Boy Friends." The several questions follow:

1. What are the three most important characteristics your friend must have?
2. What characteristics are most disagreeable to you?
3. Do you object if your friend smokes cigarettes?
4. Should a Protestant marry a Catholic and vice versa?
5. What dangers—in your judgment—does such "mixed marriages" involve?
6. Should a difference of religion interfere with friendship?
7. Does "necking" promote real friendship?
8. Must your friend surren-

der any convictions to hold your friendship?

9. Should a couple marry if it is going to be necessary for the girl to go on working?

10. What would you like to tell your friend if you dared?

The spontaneous way in which these questionnaires were received promises some most interesting and profitable information in the near future. The supply, seemingly sufficient large, proved inadequate for all who wanted to answer the questions. For the coming Sunday a far larger number are to be prepared.

After the several questionnaires have been returned, covering a period of five or six weeks, Dr. Dolloff is to carefully collate the findings and then give one or more addresses upon the information gained from the investigation. Any young person, of whatever church or of no church, is invited to share in this research. Answers can be mailed to Dr. Dolloff, from which the name of the person supplying the information should be left off.

## The Tobacco Crop may be Short this Year

but that can't affect Chesterfield—why?

Production of tobaccos usable for cigarettes or "roll your own."  
 U. S. crop (average, 5 years, 1927-31) . . . 1,091,265,750 lbs.  
 U. S. crop (Govt. estimate, 1932) . . . 751,601,000 lbs.  
 Estimated shortage, 1932 crop . . . 339,664,750 lbs.

The manufacturer of good cigarettes does not depend on any one year's crop. He knows that to keep up the quality of his brand, he has to carry on hand at all times a large stock of the right kinds of tobacco from several years' crops.

The domestic tobaccos are kept in large hogheads, each containing about 1000 pounds, and are allowed to age for two full years—in other words, nature's method of curing the tobaccos. Something like ageing wine.

Liggett & Myers has about four and a half miles of warehouses used for storing leaf tobacco, to

make sure that its products are uniform and are as good as can be made.

To do this requires a great deal of money—for example, there is invested in the domestic and Turkish tobaccos for Chesterfield Cigarettes over \$75,000,000.

Smokers can be assured, regardless of the crop conditions, that Chesterfield will be absolutely uniform—the same yesterday, today, at all times. The cigarette that's milder—the cigarette that tastes better!

## 24 St. Agnes Scouts Enjoy Four-Day Hike

Troop 7, Boy Scouts of America, of St. Agnes' Church, spent four days during the school vacation at Camp Oak and in spite of the rainy weather had a fine time and a profitable one. Twenty-four scouts made the trip, leaving Tuesday morning with Father F. X. Bransfield, their Troop Chaplain. George R. Wright arrived shortly after two o'clock in the afternoon with the food.

Joseph Ahern and Paul Snell who did the cooking performed their duties so well that they elicited the praise of every one present and what meals they did serve? The next morning they hiked to Nutting's Lake. In the afternoon there was a good game of football starring Father Bransfield and John Snell; also a string burning contest which was won by Paul Snell for the first group and Myles Moriarty for the second. Thursday morning they liked to Nutting's again and every scout had an opportunity to skate. The first group left their skates with the scouts who had none and returned to camp to prepare dinner. George Snell, Jr., was left in charge of the second group.

During the afternoon many scouts passed tests and the older scouts did more wood chopping. Friday morning the younger scouts in charge of their Senior patrol leader "Babe" Ahern hiked to Lexington Park while the junior leaders and older scouts policed the camp grounds and cleaned their cabin. They left camp about eleven o'clock and hiked to Arlington with Mr. Wright. Almost every scout who was present on the hike returned to his regular troop meeting in the evening. The scouts had several visitors including Scoutmasters Jerardi of Troop 5 and Allen of Troop 10. Mr. Publicover, Mr. Higgins and Mr. and Mrs. Paton of Arlington, also Mr. Smith and his son from Belmont. Father Bransfield returned to duty on Thursday leaving Mr. Wright and George Snell, Jr., with the scouts.

### Dr. Shaw To Lecture On Drama, "King Of Kings", Sunday

A most interesting week is scheduled for the Calvary Methodist Episcopal church in East Arlington next week. Dr. Shaw, pastor, will give an illustrated lecture on the drama, "King of Kings" next Sunday evening as one of the features of the Sunday services. The complete program follows:

Morning Worship, 10:45. There will be two special selections by the Calvary Church Choir. Dr. Shaw will use as the sermon theme, "Where We Meet Jesus."

The evening program will be one of interest. Dr. Shaw will give an illustrated lecture on "King of Kings." He will use 60 specially prepared slides. A twenty-minute evangelistic talk will precede the service. Every one is very cordially invited to be present.

On Thursday evening the Ladies of the Ladies Aid Society will give a Birthday Party. There will be a turkey supper and an entertainment sponsored by the various organizations of the church. Not a money making affair but a friendly gathering of the Friends of Calvary Church. All such are invited. The tickets are 50 cents.

### Trinity Athletic Class To Hear One Of Members

A most novel meeting is planned for the Trinity Athletic Sunday School class next Sunday when a member of the class will be the speaker of the day.

Last Sunday, the members went to Needham and also heard George Ed. Rogers give a talk on "Facing the Problems of 1933." Next Sunday, the members of the class will attend the Morning Service at the Trinity Baptist Church with their mothers.

### Joyce Bros. To Open New Store In Nearby City

Joyce Bros. & Co. Inc. are very proud to announce the opening of a new store in the Joyce Chain at 62 Pleasant street, Malden. For over twenty-five years, Joyce Bros. Malden store has supplied clothing requirements of many thousands of men, women and children, and this organization has become one of the most prominent and respected businesses in the City of Malden.

Urged on by their desire always to be of the greatest possible service to their customers, however, Joyce Bros. on the expiration of their lease sought out the present location which is in the heart of the business district. It makes trading easier for their many customers.

The Joyce stores have been in business for nearly forty-four years, and have grown to be one of the largest clothing chains in New England. They have always enjoyed the finest reputation for value giving and courteous service to their customers. The charge account policy which permits customers to pay for their clothing in partial payments over a period of several months has never been more popular than today. Their steady growth in size and volume of business proves the high degree of popularity this company enjoys and the confidence the public has in their merchandise and service.

The new store will be managed by Mr. Jeremiah J. Tobin, well known in Elks' and other fraternal circles, and who for over twenty years has held an executive position with the company. The store is equipped with every modern convenience for proper display of merchandise, and Joyce Bros. extend to everyone a most cordial invitation to call and visit the new store. It should be remembered there is never any obligation to buy, and with every article goes a money-back guarantee of satisfaction.

Miss Frances Aldrich, of the Aldrich Dance Studio will leave Sunday for New York City where she will visit several dance studios. She will return by plane next Friday.

Musicians Needed

For New Arlington Community Orchestra

The Friends of the Drama are sponsoring a little flier in an allied art, that of music. Under the auspices of this group a community orchestra is in progress

of formation.

Those interested in this project are asked to meet with the director, Edward Center, at the home of Mrs. David Kennedy, 500 Massachusetts avenue, Arlington, at 3 o'clock on Sunday afternoon.

Mr. Center is the son of Prof. Harry B. Center of Boston University, also a well known musician.

The orchestra is expected to make its debut at the performance of "Trial by Jury" which will be the offering of the club for February.

## ARLINGTON HAD MOST SUCCESSFUL YEAR IN SPORTS, REVIEW SHOWS

By JOSEPH D. CALLAHAN

Now that the late unlamented Anno Domini 1932 has been a retreat forever, and the new year is with us, we have turned back the pages on Arlington sports and sport figures for the past 12 months; and as a result we find that the local sport picture has enjoyed a most eventful year.

Beginning in January—or to be more exact—Saturday Jan. 9th—the High School hockey team, duplicating its feat of 1931, held a strong Melrose High outfit to a 1-1 tie, in a Greater Boston Interscholastic League tilt at the Boston Garden before some 2500 fans. On the following Saturday in another league battle at the Garden, Arlington defeated Belmont 6 to 3 with Capt. Phil Lane, Trafford Hicks Jr., and Harry Austin starring. Although we did not win the Greater Boston Interscholastic League Crown last season, we did have a good team, despite the loss of Herman Nickerson Jr. and

others who have gained lasting renown in the annals of Arlington hockey.

In March Captain Phil Lane of the Hockey team made the Greater Boston All Stars team and played right wing in a game with the Montreal Catholic High School Team, at the Boston Garden before 6000 spectators. Although the All Stars did not win they held the Canadian boys to a 4-4 tie which is no small feat when you consider the in-born hockey ability of players of Canadian extraction.

At about the same time Arlington High was engaged in the hockey campaign of '32, Herman Nickerson Jr., of Appleton street, Arlington Heights, famous goalie of the great A. H. S. team of 1931, was carrying on as Captain of the Boston University Freshman Hockey team. Also playing with "Herm" were Johnny Lax at center and Paul Rowe, right wing, both stars of the Arlington '31 team. Under the leadership of Nickerson the B. U. team had a great season defeating the college varsity team 2 to 1, thrashing Medford High, Co-holders of the Greater Boston Interscholastic Crown with Melrose, 5 to 0, and polishing off Belmont High 7 to 3.

So much for hockey. And now let us consider basketball. Under the Captaincy of Ralph Seretto the basketball team enjoyed a very good season. Capt. Paul Hendrick of this season's team played center and was the big mainstay of the team. Other basketball talent on last year's team included Gordon Wright, Gordon Clarke, Al Pochini and Edmund "Cornfed" Crovo. Two highlights of the '32 season was the 37 to 18 trouncing given Belmont High and the defeat of Lexington High to the tune of 19 to 11.

ington High to the tune of 19 to 11.

On Saturday March 12 John Kelley former Arlington High track star finished 10th in the annual 20 mile road race of the North Medford Athletic Club. The course of the race was through Medford, Somerville, Arlington and Stoneham. Leslie Pawson of Patuxet finished first and Jimmy Henigan, winner of the Patriots Day Marathon, finished second. On April 8th Kelley won the time prize over a field of 122 runners in the 22nd annual 10 mile handicap cross-country run of the Catholic Young Men's Catholic Ass'n. of Boston. Kelley covered the course through the South End of Boston in 53 minutes and 38 seconds which is exactly 2 minutes and 31 seconds more than Jimmy Henigan set in 1917. John is a fine runner and intends to enter the B. A. A. Patriots Day Marathon this year.

On Saturday March 12, the same day that Kelly was competing in the North Medford A. A. road race, Miss Helen McCarty of Franklin street, daughter of Coach Doc McCarty of Arlington High, was aiding the Medford Girls Club to win the 440 yard Relay Crown at the Women's National Indoor Track Championship Meet at the Newark N. J. Armory. The Medford team defeated the Milrose A. A. team, New York State Champions, finishing in 54 1-5 seconds.

The greatest individual track event of the year—barring none—occurred at the Harvard Stadium Track on Saturday May 14, when Arthur Duffey, Jr., of 71 Orvis road equalled the world record set by his father on the same track—just 33 years before—and ran 100 yards in 10 seconds flat. The sprint of young Arthur in the 48th annual Harvard Interscholastic Track and Field Championships paralleled to the dot the feat of his Dad in May 1899.

Then on May 20 Arlington High copped the Track and Field laurels in the Mystic Valley League defeating their nearest rival Melrose High 26 to 25 1-2 at the M. V. Track in Cambridge. Teddy Foster, Joe Higgins and Laurin Phinney starred. Henry Burns of Paul Revere road, Arlington Heights was Arlington's only outstanding boxer of the past year. On the night of April 5 at the Boston Arena Henry won the National Junior Amateur Boxing Championship in the 118 pound division. He also journeyed to California to take part in the Olympics in August but was eliminated by Jess La Barba of Oakland, Calif., in the first semi-final in the 118 pound class.

The outstanding highlights of the baseball season was the 6-5 victory over Watertown at Spy Pond on May 7th and the 12 to 8 victory over Winthrop at Ingle-side Park that town. In the Watertown game Arlington tied the score 5 to 5 in the ninth and made the winning tally in the 10th. Ken Weidaw pitched superbly in that game if memory serves me right. In the Winthrop game Paul Hendrick capped a five-run spurge in the 5th inning by clouting a splendid homer. Crovo, Greeley, Merrill, Clark, Buckley, and Wright were the other stars.

The Arlington High Girl's Field Hockey Team had a most successful season last fall sweeping everything before them. The team comprised: Manager Jane Waterman, Alice Alexander, Dorothy Richardson, Capt. Pearl Gibson, Marjorie Rimbach, Helen McCarty, Margaret Rillegh, Buddy Keane, Alice Hall, Betty Boyle, Olive Jackson and Barbara Hanson.

So much has been written about our football team which copped the Mystic Valley League Championship that the writer does not need to elaborate on what has been already said. Suffice to say that we had the greatest season in years under the Captaincy of Husky Crovo supplemented by Ken Weidaw, Al Lane Capt-Elect, Al Pochini and the other members of the squad. The outstanding game was the Fitchburg clash which we won 32 to 0.

Arlington had two All-Stars in

the person of Phil Lane selected on the All Hockey Team and Husky Crovo selected for the "All" Football Team. Both of these stars were selected by Jerry Nason fluent, talented expert of the Boston Globe.

Yes, my friends, during 1932 Arlington enjoyed one of the most active years in sports since the heyday of Al Marsters.

### Churches Of Christ Scientist Sermon For Next Sunday

"Sacrament" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, January 8. The Golden Text is: "To do good and to communicate for get not; for with such sacrifices God is well pleased" (Hebrews 13:16).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "To understand all our Master's saying as recorded in the New Testament, sayings infinitely important, his followers must grow into that stature of manhood in Christ Jesus which enables them to interpret his spiritual meaning. Then they know how Truth casts out error and heals the sick. His words were the offspring of his deeds, both of which must be understood" (p. 350).

IN SOMERVILLE  
"Sacrament" is the subject to be read at the First church of

Christ, Scientist, 148 Sycamore street, Somerville, next Sunday, Sunday at 10:45 a. m.  
Sunday—Sunday services and Sunday School at 10:45 a. m.  
Wednesday—Testimony meeting at 7:45 p. m.  
Public Reading Room at 21-a College avenue.

## Many Features Planned For Hallisey Show

The Catholic Women's Guild of St. James Church, Arlington Heights, is sponsoring a repeated performance of "Annette's Success" a musical comedy written and produced by Laura A. Hallisey, dancing teacher. Consisting of many prominent Arlington men and women, the show has been very successful in its previous presentations and promises to be again.

Mrs. Mary Kenney, along with A. K. Hatchfield help to supply dramatic parts. Lena Barry of Lexington is a very capable leading lady. Helen McMenimen is a typical chorus girl in carrying out her lines.

The dancing choruses, according to Miss Hallisey, are the best she has ever worked with as non-professionals. The "Four Mills Brothers" who entertained with Miss Hallisey and her brother, John, in a floor show at Wymans' English Tavern New Year's Eve, keep the audience in continual laughter. Miss Hallisey will dance at the end as usual.

### Heights Study Club To Hold Annual Past Presidents' Day

The Arlington Heights Study club will hold its past presidents' day on Tuesday afternoon in Harmony Hall. Mrs. J. A. Gariepy will speak on the subject "The Romance of the Mississippi".

Michael Gariepy, following the general theme of the afternoon, will present piano numbers which will include selections from the "Mississippi Suite" by Grofe. Miss Alice Powell will sing a group of French songs accompanied by Miss Alice Reilly.

Mrs. T. Gordon Smith and Mrs. Horatio Lamson will serve as hostesses for the afternoon.

### Menotomy Chapter Plans Guest Day

Menotomy Chapter, Daughters of the American Revolution will meet on Friday afternoon at the First Baptist church in Arlington. Mrs. Ernest Southwick, the regent, is hostess for the afternoon.

Mrs. Robert B. Parmenter, chairman of Conservation for the Massachusetts State Federation of Women's clubs will give an illustrated lecture on Conservation.

Miss Virginia Hunt will read. Each member is entitled to bring one guest and those doing so are asked to notify the head of the hospitality committee, Mrs. Melville Rood.

Those attending are asked to bring a gift for the work at Ellis Island.
